

FIG.1

PRIOR ART

FIG. 1 is a schematic diagram of a circular structure 1. The structure is divided into three sectors: 2a (top), 2b (bottom), and 2c (right). Each sector is further divided into sub-sectors 20 and 30. The center is labeled O. The outer boundary is a circle 3. The inner boundary is a dashed circle. The sectors are separated by dashed lines. The angles between the dashed lines are 60 degrees. The sectors are labeled with points Ea, Eb, Ca, Cb, Ea', and Eb'.
